An Ear's Song (Nr. 2)

An ear, an ear, a quadrilateral ear
Dad is working today, too

An ear, an ear, a triangular ear
Sis has dressed up herself nicely

An ear, an ear, a funny ear
What a cute and tiny ear I could

Ear, ear, oh ear-
A scary dog
Ear, ear, oh ear-
A mad dog
Ear, ear, oh ear-
With the round ear.

A buddy dog- Oh ear

An Ear's Song

Lyns, Myler, Pina
Composition: Anna Sofie
Vocal: Miranda Tarras

An ear, an ear, a little ear
If I could eat something, could I,
would it be popcorn?

An ear, an ear, a tiny ear
If I carry a hair on, will I be a slingshot?

An ear, an ear, a normal ear
It's not in the fun

Ear, ear, oh ear
Let's eat together

Ear, ear, oh ear
Bake it in oil

Ear, ear, oh ear
Cover it with a sugar crust

And our delicious snacks are done!

CHAPTER 1: THE RED HAIR CLIPS

Nyaa, nyaa, little cats
Nyaa, nyaa, little kids
Even if you cry there won't be
any food for you
kumny food in everyone's houses
Just what should we eat first?
Eat it all, we mustn't leave
anything over!

Today, I made my
600th jump.

The whale and the
octopus men tried to
take me with them.

I was scared.

October
14th,
2005

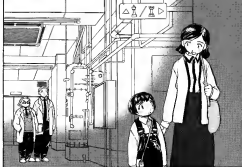

This
should
do for
today.

Hm-hm.

OK.

It came
right you
up (then
bright?)

You've
to go to
the
hospital
today.

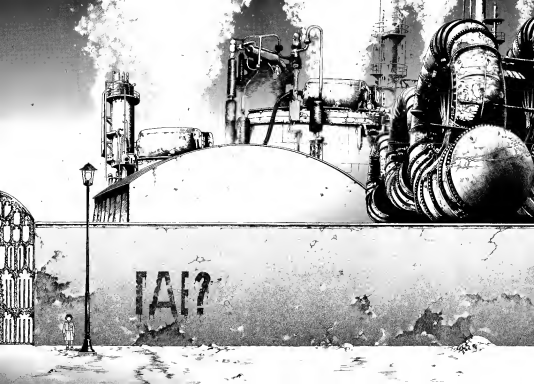

Please put
yourself
together.

We've
only
done
this for
you to
get well
again.

I
won't
go.

I'm
sorry, madao.

Doctor,
aren't
there
any
other
treat-
ment
methods
?

I won't
go
there
ever
again!!

I'm NOT
black!

Never
ever
again!

Why
have my
parents
led to
me?

Anyway,
I'm so
glad.

also count as work?
I'm free at the
week-end.

And
children
continue to
disappear
all over
the world.

That
girl
named
Yūko-
guchi!

So she
didn't
come
back
after
all.

It
might
be
risky.

but we
could
still
try
to
look
for
her.

They were "over-children" (otaku-children) to address the girl which is a common way in Japan. They'd say "over" (otaku) to show an obsession.

Listen care-
fully, if you
think the
situation is
no longer
safe, return
immediately,
okay?

I'd like
you to
find
her.

As long
as I have
this girl,
every-
thing will
be fine.

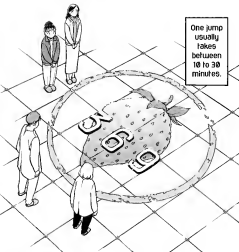

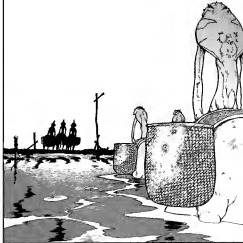

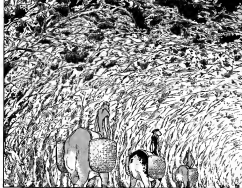

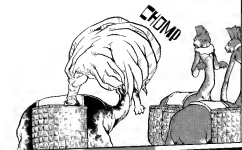

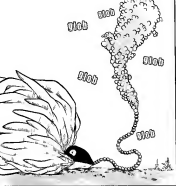

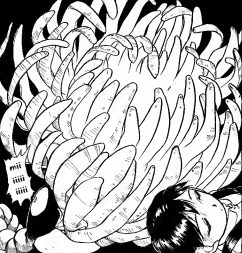

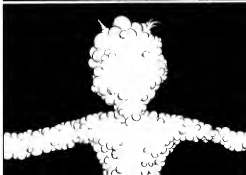

Got to find that girl!

both children didn't return

as it turned out.

to see the world they can see.

I wish I could have those children's eyes.

*Stand up and you'll be seen
Therefore, you should duck down and wait
Duck down and you'll be heard
Therefore, you should duck another way
It'll be for the best if I just keep sleeping
Therefore, don't wake me up*

Professor,
there're
opinions
saying
you don't

the second

Is the

still un-

There's

That's

to you.

And

they seem
to deal
with the
situation
quite well

At least,
everyone
gave me
those
strange
looks,

For them
I'm a
"freaked
out", a
person
with IAI

I for my
part also
became a
bit more
grown-up

Many children
are still disap-
pearing
day after
day.

As
much
as I
did?

Will
they
feel—

Are they
friends
going to
disap-
pear too?

If this
continues
everyone
will be
gone
eventually.

What
awaits
me
now?

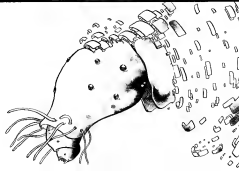

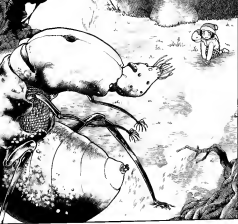

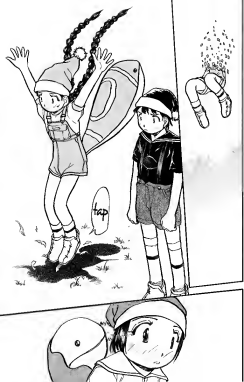

Please
